- Independent ratings of risks in terms of probability and impact (both monetarily and of the supply chain).
- Recommend countermeasures to minimize financial and supply chain risk
- Support business divisions and product groups during the operational management of supplier insolvencies.
- Linking Risk Management with findings from other departments (i.e. Quality, Supplier Development, Logistics, and Finance etc.).

Your Profile

- 4 –year Bachelor's Degree in Business Related Field
- 5 years in Risk Management
- Training as a Rating Advisor or Rating Analyst
- Knowledge in insolvency law
- Very strong commercial knowledge specifically Accounting Law and Finance

Brose offers a high-tech work environment and a wide range of benefits. Along with competitive performance-based compensation and health insurance, our employees also benefit from attractive social and family-oriented programs throughout our North American locations*. Our benefits packages include comprehensive medical, insurance and retirement plans. Brose also provides educational assistance and a variety of community outreach, family, and sporting events. Flexible working hours and a collaborative work environment give our employees the freedom to balance work and personal life. Brose believes in investing in people. We offer a wide range of development programs with great opportunity for individual growth through training, international or regional assignments and tailored career paths. Our objective is to provide our employees the tools necessary to live a balanced life, experience a rewarding work environment and contribute to our surrounding communities.

*Benefits package may vary slightly per location

Brose is the world's fourth-largest family-owned automotive supplier. Our mechatronic systems for doors, seats or electric motors and drives can be found in every second new vehicle around the world today.

Over 80 manufacturers and 40 suppliers rely on our efficiency and performance. About 26,000 employees at 63 locations in 23 countries guarantee quality and innovation.
