

Koprivnice

Internship - Production Technology in Technology Lead Plant

Brose CZ is the biggest production plant of the Brose Group. Over 3000 employees are working in three different locations - Ostrava, Koprivnice and Roznov. Production is located in Roznov (business division doors) and Koprivnice (Business division seats and motors). Besides production, there are shared services, IT, purchasing, controlling and customer teams including development, testing and project management in the Czech Republic. These functions are working for not only Brose Czech Republic but supporting the Brose Group worldwide as well.

Brose is the world's fourth-largest family-owned automotive supplier. Our mechatronic systems for doors, seats or electric motors and drives can be found in every second new vehicle around the world today. Around 80 automobile manufacturers, over 40 suppliers and 50 e-bike manufacturers rely on our efficiency and performance. About 25,000 employees work for Brose at 65 locations in 24 countries and generated 6.2 billion euros turnover in 2019.

Your tasks

- Independent work on tasks in the implementation of projects
- Support in optimizing logistics and production processes
