

Detroit (Headquarters), Auburn Hills, MI

Senior Systems Administrator

As a successful family-owned company on a path to global growth, the Brose Group offers challenging responsibilities and exciting career opportunities to performance-driven, skilled specialists with solid professional knowledge and proven career expertise who wish to contribute to our company's success.

Your Job Specification

- Responsible for the complete lifecycle ownership of VMware technology and datacenter infrastructure including physical and virtual hardware using vSphere environment, based on standards.
- Perform as a technical specialist to provide mentorship and second level support for IT Administrators in our regional organization.
- Establish partnership with central IT technology owners to collaborate on projects, communicate requirements, and ensure standards meet the needs of the region.
- Provide troubleshooting and problem resolution of computer hardware, operating systems, and applications.
- Understand business processes of a diverse and complex environment to ensure technology supports the business and meets or exceeds defined service levels.

Your Profile

- Bachelor's Degree in Information Technology or equivalent experience with certifications
- 5+ years of relevant experience
- Experience with VMware vSphere
- Experience with Windows Server Administration, Active Directory Administration, MS Exchange Administration and Database Administration

Brose offers a high-tech work environment and a wide range of benefits. Along with competitive performance-based compensation and health insurance, our employees also benefit from attractive social and family-oriented programs throughout our North American locations*. Our benefits packages include comprehensive medical, insurance and retirement plans. Brose also provides educational assistance and a variety of community outreach, family, and sporting events. Flexible working hours and a collaborative work environment give our employees the freedom to balance work and personal life. Brose believes in investing in people. We offer a wide range of development programs with great opportunity for individual growth through training, international or regional assignments and tailored career paths. Our objective is to provide our employees the tools necessary to live a balanced life, experience a rewarding work environment and contribute to our surrounding communities.

Brose is the world's fourth-largest family-owned automotive supplier. Our mechatronic systems for doors, seats or electric motors and drives can be found in every second new vehicle around the world today. Around 80 automobile manufacturers, over 40 suppliers and 50 e-bike manufacturers rely on our efficiency and performance. About 25,000 employees work for Brose at 65 locations in 24 countries and generated 6.2 billion euros turnover in 2019.
