## Praktikant Project Management Customer Team (m/w/d)

The Brose Group is growing worldwide. Innovations in research and development as well as strategic investments form the basis for extending our market position. As the fourth-largest family-owned company in this industrial sector, we are offering challenging tasks and opportunities for personal growth in a dynamic environment in the following position.

Your tasks for 6 months starting March 2020

- Support in processing the customer's orders in the areas of purchasing, sales, and controlling
- Collection and comparison of offers
- Order processing and tracking
- Editing of change requests
- Preparation of customer meetings
- Maintenance of price and parts lists in SAP
- Support in sales planning
- Creation of cost comparison calculations
- Analysis of price developments
- Updating and maintaining key figures
- Support in adjacent areas such as logistics, quality and development

Your profile

- Student of Industrial Engineering or a comparable field of studies
- Previous job at Brose or practical experience in a similar area of responsibility is required
- Advanced skills in MS Office
- SAP basic knowledge is an advantage
- Very good English skills (written and spoken)
- Please send us your application in English

Our Brose Working World offers you a modern work environment:

The flexible office concept promotes a working atmosphere characterized by open communication and efficiency. The variable working hours give you the flexibility you need to reconcile professional and family life. We pay our employees based on results and feature innovative social benefits in the areas of health, fitness and canteen food.

Brose is the world's fourth-largest family-owned automotive supplier. Our mechatronic systems for doors, seats or electric motors and drives can be found in every second new vehicle around the world today.

Over 80 manufacturers and 40 suppliers rely on our efficiency and performance. About employees at locations in countries guarantee quality and innovation.
