

New Boston

Electrician

As a successful family-owned company on a path to global growth, the Brose Group offers challenging responsibilities and exciting career opportunities to performance-driven, skilled specialists with solid professional knowledge and proven career expertise who wish to contribute to our company's success.

Your Job Specification

- Performs facility maintenance tasks and replacement tasks of lamps/ballasts, electrical systems, generators, pumps, fans, valves, and motors of facility equipment.
- Install new electrical and electronic equipment and electrical wiring according to the National Electrical Code and company electrical standards.
- Maintain and repair electrical and electronic systems for facility projects, and equipment in the office and plant.
- Ensure that facility and equipment electrical systems are maintained in a safe and reliable condition.
- Responsible for trouble shooting and providing immediate electrical maintenance and repairs to facility equipment.

Your Profile

- 3 + years experience as an Electrician or related function in an automated production company, preferably in the automotive industry
- Strong troubleshooting skills
- Knowledge of problem solving methods and root cause analysis

Brose offers a high-tech work environment and a wide range of benefits. Along with competitive performance-based compensation and health insurance, our employees also benefit from attractive social and family-oriented programs throughout our North American locations*. Our benefits packages include comprehensive medical, insurance and retirement plans. Brose also provides educational assistance and a variety of community outreach, family, and sporting events. Flexible working hours and a collaborative work environment give our employees the freedom to balance work and personal life. Brose believes in investing in people. We offer a wide range of development programs with great opportunity for individual growth through training, international or regional assignments and tailored career paths. Our objective is to provide our employees the tools necessary to live a balanced life, experience a rewarding work environment and contribute to our surrounding communities.

*Benefits package may vary slightly per location
