

New Boston

Quality Engineer

As a successful family-owned company on a path to global growth, the Brose Group offers challenging responsibilities and exciting career opportunities to performance-driven, skilled specialists with solid professional knowledge and proven career expertise who wish to contribute to our company's success.

Your Job Specification

- Implement quality systems, coordinate quality systems, on-going maintenance and continuous improvement projects
- Ensure compliance of quality to all required standards including customer specific requirements
- Coordinate and perform (as required) internal process and system audits
- Provide consultation upon request for quality system gap-analysis, benchmarking, and/or customer complaints
- Train plant personnel on quality systems as required

Your Profile

- Three to Five years related experience and/or training in Seat System Assembly; or equivalent combination of education and experience
- Knowledge of Quality and Environmental Systems including TS16949, ISO14001 and Ford/Chrysler LLC Customer Specific Requirements; Auditing experience and certification
- Knowledge of AIAG standards (PPAP, MSA, FMEA, LPA)
- Proficient knowledge in SAP QM Module
- Proficient in Microsoft office

Brose offers a high-tech work environment and a wide range of benefits. Along with competitive performance-based compensation and health insurance, our employees also benefit from attractive social and family-oriented programs throughout our North American locations*. Our benefits packages include comprehensive medical, insurance and retirement plans. Brose also provides educational assistance and a variety of community outreach, family, and sporting events. Flexible working hours and a collaborative work environment give our employees the freedom to balance work and personal life. Brose believes in investing in people. We offer a wide range of development programs with great opportunity for individual growth through training, international or regional assignments and tailored career paths. Our objective is to provide our employees the tools necessary to live a balanced life, experience a rewarding work environment and contribute to our surrounding communities.

*Benefits package may vary slightly per location

Brose is the world's fourth-largest family-owned automotive supplier. Our mechatronic systems for doors, seats or electric motors and drives can be found in every second new vehicle around the world today.

Over 80 manufacturers and 40 suppliers rely on our efficiency and performance. About 26,000 employees at 62 locations in 23 countries guarantee quality and innovation.
